

Lockerbie Academy

December 2020

Dear P7 and Parent/Carer,

Welcome to Lockerbie Academy!

2020 has been a year of challenges and changes. Under our usual Transition Programme, by now, we would have had two transition days and would have been planning for our Information Evening in January. I am writing to you to let you know our plans for a different Transition for your child.

Firstly, we had to redesign our programme for our new S1s due to lockdown, so we know that what we have planned is successful and this year's P7s will not miss out. In January we will hold our "Virtual Information Evening". During the week beginning 25th January we will upload our information onto the school website. This will include an overview of what life is like at Lockerbie Academy, you will hear from some of our S1s on their experiences and we will share a tour of the school. Following the Information Evening, you will be able to send us questions with anything we did not answer in our presentation, or anything else you, or your child, is worried about.

Our main programme will take place through Microsoft Teams. More information will be shared after Christmas. Weekly tasks, quizzes, get to know staff will be shared. We will also use this platform for discussions around our Cluster Novel.

In the meantime, please get used to our website. The P7 tab will be where we share everything. Also, if you could follow us on Facebook or Twitter, you will start to get a sense of what Lockerbie Academy is like.

I am really looking forward to meeting your child and working with you, although that may be virtually for the time-being.

Enjoy Christmas, and I will be in touch in January.

Best Wishes for a Happy 2021,

Kerry Galbraith Currie
