

Lockerbie Academy

26 February 2021

Dear Leon,

I am writing to you in preparation for you returning to Online Learning next week.

You have had your access blocked for two weeks due to you breaching our Online Code of Conduct. You did this by emailing Ms Rogerson, Mr Williamson and myself, your email was inappropriate and perceived as threatening. Ms Rogerson and Mr Williamson did not alert the Police to you breaching COVID guidance by having someone from outside your household visit you. To them, you should offer an apology.

As a school, we have a duty of care to all our pupils- that means looking after everyone. You should be well aware of the rules to follow and whether in school, or learning at home, there will always be consequences for your actions.

We look forward to you being able to work online again next week and we will be monitoring your engagement closely. That means, we expect you to be handing assignments in as soon as you have completed them. Due to your actions, you will not be able to comment on any posts in Teams. Mr Williamson will continue to be in touch with your mum, if you have any issues you can discuss with your mum to raise with Mr Williamson on the telephone.

You should also be thinking about subjects for S4 and what will help you in preparation for leaving school. This is a very important time for you.

I look forward to seeing your progress over the coming weeks.

Ms Currie
