S5/6 Non-contact periods

Dear Parent/Carer,

The full time return to school after the Easter break is progressing well. We are about to begin Assessments next week, as you will know. We wrote to you on 22nd March to offer you the opportunity to allow your son/daughter to study offsite at key points within their week. We have completed the Committee and other work we usually do in PSE and so we are now offering the PSE period on a Thursday period 4 as a further time when you and your son/daughter can choose home study, should you so wish. In order to take up this option, please complete the form below:

<https://forms.office.com/r/284mj2BEGP>

As before, this is the only way to access this facility and once agreed, it must be kept to; we are not able to operate a signing in/out system to avoid cross-contamination. If intending to be here, pupils must be here. If intending to study from home, that must happen. We will pre-mark our attendance system and need accuracy for safety (especially fire-safety). Students must be in school for all other classes.

Please complete our online form using the following link by 3.30pm on **Tuesday 28th April 2021**. After this time it will be assumed that the student will remain in school full time. This system would start next Thursday, 29th April 2021.

Yours sincerely,
