

20 June 2021

Dear Parent/ Carer

Partial Closure of Lockerbie Academy (New S2 & S3)

Unfortunately, it has been necessary to close Lockerbie Academy to new S2 & S3 pupils for the period of the 21-25 June 2021 inclusive due to the lack of availability of staff due to some staff requiring to self-isolate which has exacerbated existing staffing pressures. A meeting has been held between Public Health and Education Services colleagues to assess the risks to pupils however these have been identified as low.

We are sorry that this is the case, and the school will be in contact with you to provide home learning for your child.

Kind Regards

John
