Dear Parent/Carer

The first term of a new school year is often difficult for our new S1s, but starting a new school following 18 months of a global pandemic would suggest a more difficult transition. However, our S1s appear to have settled fairly well. They have, very quickly, become part of our school community; adjusting to our expectations, following our school rules (Ready, Respectful, Safe) and sharing our school values, whilst continuing to cope and adjust to Covid guidance. Our S1s are getting themselves to and from school safely, using the school canteen at interval and lunchtime and remaining in their zone during this time.

We continue to seek feedback to ensure we are meeting the needs of all learners and continue to enhance our Transition programme. You will be receiving a link via text message to complete an online survey to allow you to feedback your experience. Your help is very much appreciated. You will also receive an Interim Report towards the end of term, indicating how your child has settled in.

I would also like to take this opportunity to invite you to our Parent/Carer Council AGM. This will be held on Wednesday 29th September at 6.30pm. Please indicate on your survey if you would like to receive a link to join this meeting virtually.

Yours faithfully

Ms K Galbraith Currie
