

CMCG/MAM

29 September 2021

Dear Parents/Carers

Please find attached a short survey about your child's reading habits since school closures.

We are working hard to build a reading culture here at Lockerbie Academy, particularly following the pandemic when life and school were interrupted. We are keen to get junior pupils back on track with reading by setting up groups during school time to read for enjoyment.

Please fill in the questionnaire and we will be in touch in the future with more information.

Yours faithfully

Mrs C McGeechan
