

28<sup>th</sup> October 2021

Dear Parent/Carer,

Given concerns about the roads, bus companies are being sent to collect pupils early. Buses may not be able to follow their normal route due to disruption on the roads.

Any parent who wishes to collect their child from school, can do so. No pupil can leave without a member of SMT being aware. Please contact your child on their mobile when you arrive at the drop-off zone. They should report to the social area to a member of SMT, and will be escorted out to the car.

Any pupil who is entitled to transport and the parent does not wish their child to go home early, must contact the school immediately and make arrangements for them to be collected at 3.30pm.

Yours faithfully,

Kerry Galbraith Currie  
Depute Head Teacher
