

School Improvement Plan 2019-2020

Priority	How will we do this?	Progress
<p>We will improve employability skills and sustained, positive school-leaver destinations for all young people</p>	<p>We will plan to re-design our curriculum over the next three years.</p> <p>We will deliver courses to allow pupils to gain accreditation throughout their school career.</p>	<p>A greater range of courses have been introduced to include NPAs and wider achievement accreditations, plus reviewing online delivery options.</p> <p>Curriculum design is paused due to National discussions which will influence the new structure.</p>
<p>We will improve attainment, particularly in literacy and numeracy</p>	<p>We will start to use Progress and Achievement to track and monitor S1-S3. We will start to use P&A with S3 this session; tracking within, between and across levels.</p>	<p>S3 reports were issued using P&A.</p> <p>Some clarity needed for parents/carers due to a change in recording levels.</p>
<p>We will close the attainment gap between the most and least disadvantaged children and young people</p>	<p>If we remain as a 2-18 campus, we will have a vision for the campus and make recommendations for moving the school forward as a 2-18 campus.</p>	<p>Decision was made to revert back to a split campus.</p>
