Dear Parent/Carer,

Further to Mr Asher's letter this morning, I write to update you on arrangements for S1 and S2.

All pupils have indicated they have access to a device and can access Teams. I will be holding a live assembly at 9.15am on Thursday and Friday. This will be used as a check-in; a register will be taken. The link for S1 is in their S1 Year Group Team, and for S2, the link is in their Register Team.

Work will come into their Class Teams at 9.30am. There will be a minimum of 3 tasks that they can do in any order for the day. They will find work in the "Assignments" section of Teams. Outlined below are the Faculty areas they can expect work from-

S1 Thursday	S2 Thursday
Creative and Aesthetics (Art, Drama, Music)	Health and Technologies (HE, PE, Technical)
Language and Literacy (English, Mod Lang)	Maths and IT
Humanities (Geog, Hist, Mod Studs, RE)	Science
Health and Wellbeing (S1 Year Group Team)
