

S3 Parents' Evening

27/01/2022

Dear Parent / Carer of S3 pupils,

As you are aware we are unable to hold face-to-face meetings and are therefore arranging an S3 Parents' Evening using online software we have purchased to allow us to meet virtually. Mr Asher has already sent information for doing this in his letter dated 18/01/22. Link also attached here <https://parents-booking.com/>

[Schedule your school's parents' evenings, in-person or by video meeting, online | Parents Booking](https://parents-booking.com/)

On schedule. On time. On-line. Take the hassle out of parents' evening forever! Our easy to use online booking system enables you to set up on-site or 'virtual' parent's evenings, tutor evenings, option evenings and more so that parents can book their own appointments quickly and easily.

parents-booking.com

You should hopefully by now have received information by email from the company we are using 'parents-booking.com' to allow you to access this and set up appointments with teachers. If you have not received this email then please firstly check your junk emails and if not in there, or you are having any problems, please see attached letter 'Video Parent Meeting'. We are also aware that some parents and staff may not wish to use their camera and only their microphone – this is fine. Please note when making appointments that the following staff are unavailable:

- Miss Marzinotto – Modern Language
- Ms McKie – English
- Mrs McKnight – Modern Studies
- Mr Terrace – History
- Mr Wilson - Physics

I apologise for these absences and the short turn around for this Parents' Evening which is to allow you to speak to teachers before option choices. This is all new to all of us and any constructive feedback is appreciated. N.B. – S3 Curriculum Information Evening – Tuesday 8th February from 5:00 – 6:00pm. This is to help with S3 in to S4 Option Choices. You will be sent an invite via Zoom for this.

Yours faithfully,

Mr M. Downie Depute Headteacher
