Lockerbie Academy - Learning and Teaching Policy

Dear Parent / Carer,

Thanks to the help of all Staff, the Pupil Voice (representatives of all year groups) and the Parent / Carer Council I have updated the Learning and Teaching Policy Summary (for Parents / Carers & Pupils).

The aims of this policy summary are to:

- exemplify excellent learning and teaching; and
- give an understanding of the roles and responsibilities of pupils and parents / carers with regard to learning and teaching.

I will add this document and also a Learning and Teaching Policy for Staff that has also been developed to the School website in About Us - School Policies and Handbooks.

Please read through this document and if you have any comments or suggestions about it then get in touch. Paper copies will be available from the school office.

Yours faithfully,

Mr M. Downie
Depute Headteacher
