

23 February 2022

Dear Parent/Carer,

S3 Online Learning

Good news! We are able to cover all classes Thursday and Friday this week, so all pupils will remain in school. It does mean that some classes will need to be supervised in the Assembly Hall, but I am sure this is a better solution for all families. Staffing will continue to be a challenge for us; closing to any year group will be a last resort. Thanks to all of our pupils for being understanding and continuing to do their best.

Updated COVID guidance

From Monday 28th February we see changes to COVID guidance in schools. Face coverings will still be part of our day to day lives. Pupils and staff will continue to wear face coverings in corridors, social areas and school transport, but are no longer required to wear these in classrooms. Wearing face coverings in classrooms will be personal choice. We would also ask our pupils to be mindful in protecting our vulnerable pupils and colleagues who may ask pupils to continue to wear face coverings in certain classrooms. Please continue to support us by ensuring your child continues to bring a face covering (and a spare) to school.

Thank you for your support and patience as we continue to work through challenging times together. Hopefully, the end of this isn't too far away.

Yours faithfully,

Kerry Galbraith Currie

Depute Head Teacher
