S3 Online Learning

Dear Parent/Carer,

For the second time since last summer, we are encountering significant challenges with COVID and other absences amongst teaching staff. We have had to take the difficult decision this week to move back to online learning for S3 from Wednesday 9th until Friday 11th March inclusive. We will review our position for next week on Friday. I realise this is difficult and want to assure you we have tried everything possible to avoid this. We have discussed the situation with the authority and have used every means possible to keep everyone in school, but we have no choice at this point but to use this option now. Pupils will be able to access work for Wednesday, Thursday and Friday on Teams where various activities will be set for them.

Thank you for your partnership and patience as we continue to work through challenging times together. Hopefully, the end of this isn't too far away.

Yours faithfully,

Brian Asher

Headteacher
