

PRIDE NOT PREJUDICE

LGBTQIA+ at Lockerbie Academy

Lockerbie Academy is proud to be an LGBTQIA+ inclusive school. Our aim is to celebrate equality and diversity and reduce the barriers to learning for our LGBTQIA+ pupils, staff and wider community.

We are currently working towards our Silver LGBT Youth Scotland Charter Award. This is a programme supported by LGBT Youth Scotland that enables our school to proactively improve LGBTQ+ inclusion for our school community. Our Champion group is made up of pupils and staff.

Our school LGBTQIA+ group 'Pride Not Prejudice' meet every Thursday lunchtime in H113. This is a safe space where pupils and staff can meet to discuss topics, and receive support from one another. You don't have to be part of the LGBTQIA+ community to community to come along, everyone is welcome! See Miss Thompson or Miss Marzinotto for more information.
