

2 June 2025

Class of 2025 Prom

We hope all of our Leavers are looking forward to their Prom. On behalf of the Prom Committee, I wanted to write to each of you to finalise details.

As you know, Prom will take place at Lockerbie Town Hall on Friday 6th June. All Leavers (and new S6 pupils) who are attending Prom must arrive for 6.30pm, this will allow time for photographs outside the Town Hall. No one will be allowed entry to Prom if they arrive after 7pm.

As a school event, Prom is a 'dry' night for everyone attending. No alcohol will be served at the venue and it is not permitted to bring alcohol into the venue. Staff members will check handbags, sporrans and jackets prior to entry.

We also ask that no guests vape or smoke during the evening. Again, this is a school event and we ask you all to respect this.

Anyone who is under the influence of alcohol/illegal substances or attempts to take anything into the venue will be asked to leave; parents will be contacted to collect you.

We want you to enjoy this evening. There is a large number of staff also attending, which indicates how much you are all thought of. Enjoy it, don't spoil it!

Prom will finish at 10.30pm. Please respect the community as you leave the venue. Please make arrangements to be picked up on time.

Class of 2025- We look forward to seeing you at your final school event.

Yours faithfully,

Kerry Galbraith Currie
Depute Head Teacher
