Lockerbie Academy Celebration of Achievement 2024-2025
S3 (New S4) 2.00pm – Wednesday 2nd July 2025

Dear Parent/Carer,

We have been celebrating successes of our young people through our daytime ceremonies for many years. This year we are excited to be able to invite parents/carers again to attend on Wednesday 2nd July.

Pupils have been nominated for Endeavour and Achievement Awards in subjects across the school. Endeavour Awards are presented to pupils who consistently try hard, overcome barriers to learning, hand homework in on time etc. Achievement Awards are presented to the top pupils in each class based on exams and test results across the year.

We also take into account Merits for the whole year (minus Demerits), Attendance and Wider Achievement.

For pupils who achieve Gold or Platinum across 3 categories, we are inviting parents/carers to our ceremony. Congratulations your child has achieved this.

For all other pupils, we will issue their certificates during registration.

We look forward to seeing you if you can make it.

Yours faithfully,

Michael Downie

Depute Head Teacher
