

June 2025

Dear parent/carers

As part of our English course, your child is required to analyse and evaluate language across various genres of literature. This term, we plan to build these skills through the study of media. Due to the level of sophistication required, we hope to study the following film that has been issued with a certificate of 15:

Get Out

The British Board of Film Classification website states that films and TV programmes may be shown to a younger audience in an educational context as long as parental consent is obtained prior to the screening.

I am therefore writing to ask your permission to show your child a 15 certificate film or programme in class this year.

Please complete the form to indicate your wishes.

Should you not wish your child to view such content, please be assured that we will make alternative course arrangements.

Yours faithfully

Kirsty Hurst
