S1 Interim Reports

Dear Parent / Carer

S1 Interim Reports will be sent home wc 1st December, ahead of Parent/Carer evening on **Thursday 4th December**. The report will consist of a grade for effort, behaviour and homework (where applicable). Staff will also report on progress in your child's learning (level achieved, and progress towards next level). At this stage, there is no comment on the report. We would be expecting parents/carers to make an appointment to discuss how your child is settling in, how you can support learning at home and to raise any concerns you may have relating to their progress/behaviour. This is the only parent/carer evening for S1; the full report in May will consist of a comment.

If you need to contact the school about your child, for any reason, your first point of contact is their Principal Teacher Pupil Support. They may not be available to speak to you at the time of your call, but they will return your call at the earliest opportunity. Please ask for the following member of staff-

1A1- Miss Thompson

1D1 – Mrs Dempster

1K1 - Mr Williamson

1M1 - Mrs Bowker

I will share details of how you register for parent/carer evening next week. This is an online booking system, but all appointments are in-person on Thursday 5th December (4.00pm-6.00pm). At this stage of S1, we would expect parents/carers to make appointments with most of their child's teachers (places book up quickly for subjects where staff teach more than one S1 class).

Yours faithfully,

Kerry A Currie
