Paris Trip – Dietary Information and Parent Meeting

Dear Parents and Carers

Plans for our upcoming trip to Paris are progressing well and we are very much looking forward to the visit. This is a reminder that all pupils must have:

- their own valid passport. Please also check that your child's passport has enough time remaining before expiry to be valid for travel to France and for the return journey to the UK
- a UK Global Health Insurance Card (GHIC) for travel. These can be ordered through the NHS online.

In addition, please complete the short form regarding dietary requirements and allergies so that we can ensure all pupils needs are fully catered for during the trip:

Paris Trip 2026 - Dietary Requirements and Allergy Information-

The form must be completed by Friday 20th March 2026.

I would also like to invite parents and carers to a Paris Trip Information Meeting on Thursday 7 May 2026 from 6.30 pm to 7.30 pm, where we will go over final arrangements and answer any questions you may have.

Thank you for your continued support. If you have any questions, please do not hesitate to get in touch.

Kind regards
